

Survey Questions for Parents Starting Online Services

Created in conjunction with Katherine Fugate, Ph.D

katherine@jabis.com

How many children do you have that are participating in online lessons?

What are your children's grade levels?

How often is the school communicating with you?

How often is your child's teacher communicating with you?

How confident are you feeling about helping your child with online learning?

What are you struggling with?

How can we support you?

What do you want your child's school and teacher to know about your experience with online learning?

You can also send these questions through Google Forms or SurveyMonkey.
